

9.2 Notice board

Cllr Garnham brought up the issue of the village notice board and people continuing to remove important notices. Cllr Martin advised that he had initially looked for a new notice board when this was last on the agenda. The cheapest notice board was quoted at approximately £800, with lockable glass cabinets or lattice work being very expensive. All Parish Councillors raised concerns regarding the cost. Cllr Woolgar advised he was aware that North Yorkshire Police had a grant scheme for community projects and it may be worthwhile corresponding with Police to ascertain if they would consider an application from the Parish Council.

Action : Clerk to contact North Yorkshire Police at Newby Wiske.

Meeting Closed at 9:00pm.
